<b>organic origin tea</b>	
english breakfast, earl grey, peppermint, lemongrass + ginger, chamomile	pot 4

# wine list

Our little list nods towards ethical viticulture & vinification. We look for wines derived from grapes farmed sustainably, including certified biodynamic, organic or non-certified sustainable practices. Comprised mostly of low-intervention wines whereby no commercial yeast has been added, and very little else – just fermented grapes being themselves in a bottle.
